Dear Friends:

We are delighted to confirm that our Bishop, The Right Reverend Anne Germond, will be with us for both services on Sunday, June 17<sup>th</sup>. This will be her first official visit to All Saints' Huntsville and we hope that you will be able to join us at one of these services, to meet our new Bishop and to hear what she has to say. There will be a reception in Sutherland Hall, following the 10:00 service.

Bishop Anne has already made a significant contribution to our Diocese of Algoma and to the wider Church. She is a joy to be with and we look forward to having her with us on June 17<sup>th</sup>.

While she is here, and as part of our 10:00 service, Bishop Anne will participate in acknowledging the gifts of all those who financially contributed to the construction of our new Foyer. Thanks to the generosity of so many parishioners and friends of All Saints', more than \$225,000.00 has been contributed toward the construction costs.

As with all financial campaigns there are different levels of giving, and plaques recognizing major gifts will be dedicated. This includes naming the Hutcheson Foyer in gratitude for a foundation gift from the Bob Hutcheson family and also for major gifts from Elsie Newton, the estate of Derek Wilson and from John Papazian. Please join us for this important event.

As we approach our summer season, we recognize that people's schedules change and that it is an especially busy time for many. We remind you however that our expenses at All Saints' continue throughout the summer and your continuing financial support is very important.

We hope to see you on June 17<sup>th</sup> and extend our sincere thanks to you for your support of All Saints' Church.

Sincerely,

The Wardens: Hugh Mackenzie
